

# RUSH HOUR 3

## KUNG-FU FRENZY COMES TO YOUR MOBILE

The Chinese Triad has spread across the globe with members infiltrating all walks of life. The dreaded Kanji leads a team of assassins in the quest for Triad world domination. The assassination bid on Ambassador Han is the first cog in the wheel.

Play as Lee and Carter and use their distinct Kung-fu skills to save the world from Kanji and the evil Chinese Triad family. Beat your way across the globe from Los Angeles to Paris and crush their diabolical plans of world domination!

- Play as both Lee and Carter and get a taste of their animated brands of Kung-fu as you fight the dreaded Kanji.
- Re-live all your favourite moments from the blockbuster movie integrated by cut-scenes.
- Experience the fabulous Kung-fu choreography; a first ever dance like action sequence featured in a game.
- Fight at amazing locations from Los Angeles to Paris which include Century Plaza Tower, Kung-fu school in Los Angeles and the Eiffel Tower in Paris.
- You need guts of steel to fight terrifying enemies; like the Kung-fu maestro Kanji, his gruesome assassins and the monstrous eight feet tall Ling.
- The Kung-fu fighting enemies have sharp A.I. that push your fighting skills to the extreme.
- Plenty of variations to keep things interesting as different maps spawn on-screen each time the game reloads making sure you always participate in a new scenario in a level.
- Simple game play is easy to learn yet remains challenging throughout.
- Unique design that appeals to a variety of audiences in addition to Jackie Chan/ Chris Tucker aficionados of all age groups.
